

Cahier de Soustractions CP-CE1 (0 à 100)

Un cahier progressif d'exercices de soustractions pour consolider les bases.

Exercices de difficulté croissante :

Pages 1-5 : soustractions simples (0 à 10, sans retenue).

Pages 6-10 : soustractions jusque 20.

Pages 11-15 : soustractions jusque 50 (introduction aux retenues).

Pages 16-20 : soustractions jusque 100 (avec retenues, posées en colonnes).

Idéal pour apprendre à calculer en sens inverse de l'addition.

Avec corrections en fin de cahier.
